

**Our love for fresh products and the
refinement of our suppliers led us to create a
mini card that will change weekly if not daily;
A mini card
which follows the seasonality, the availability
of our small local suppliers and their
delicacies ...
Our Executive and the whole brigade are eager
to let you taste them**

We are waiting for you ☺

“Tasting menù Al588”

*Due to their complexity, the tasting menus are served
for all guests at the table.
The dishes will be chosen by the chef
from those on the menu and possible surprises.
Please inform us of any intolerances and food allergies.*
